

1. Download Mobile Token

The Download Mobile Token menu will be displayed to Company Admins with the Approver role. This feature allows Company Admins to activate Mobile Tokens using a QR Code.

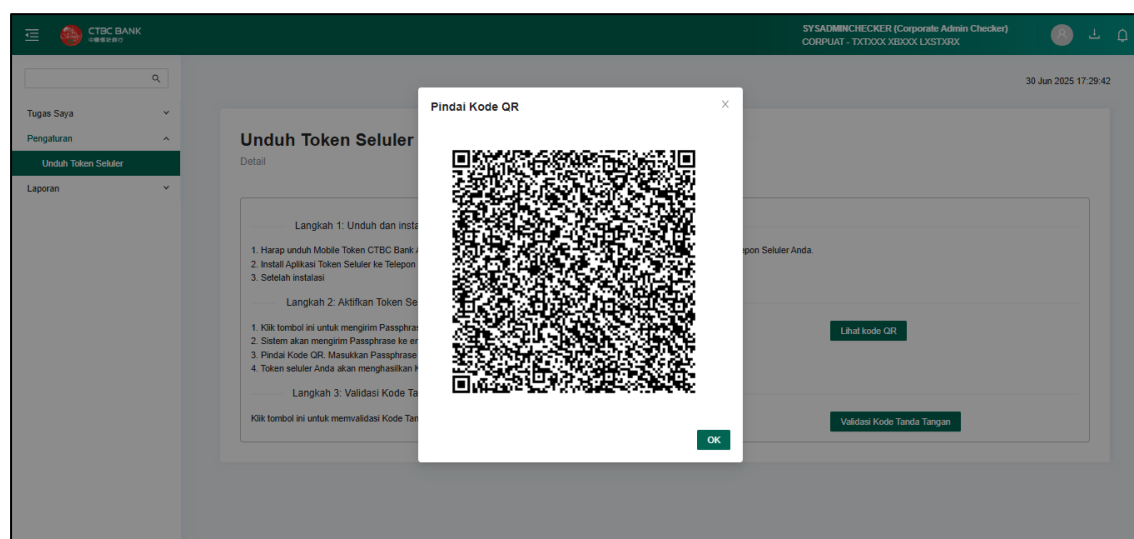

1.1 Download Mobile Token

Here are the steps to **Download Mobile Tokens** in the **Settings** menu:

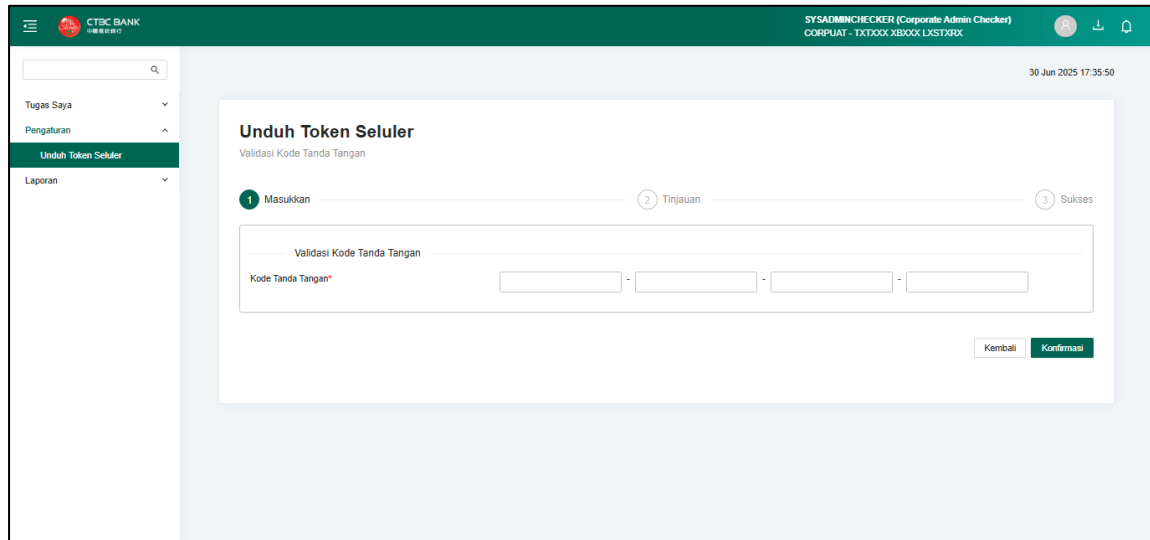

1. From the **Prime Cash** main menu, click **Settings**, then click **Download Mobile Token**. The **Download Mobile Token** page will appear.

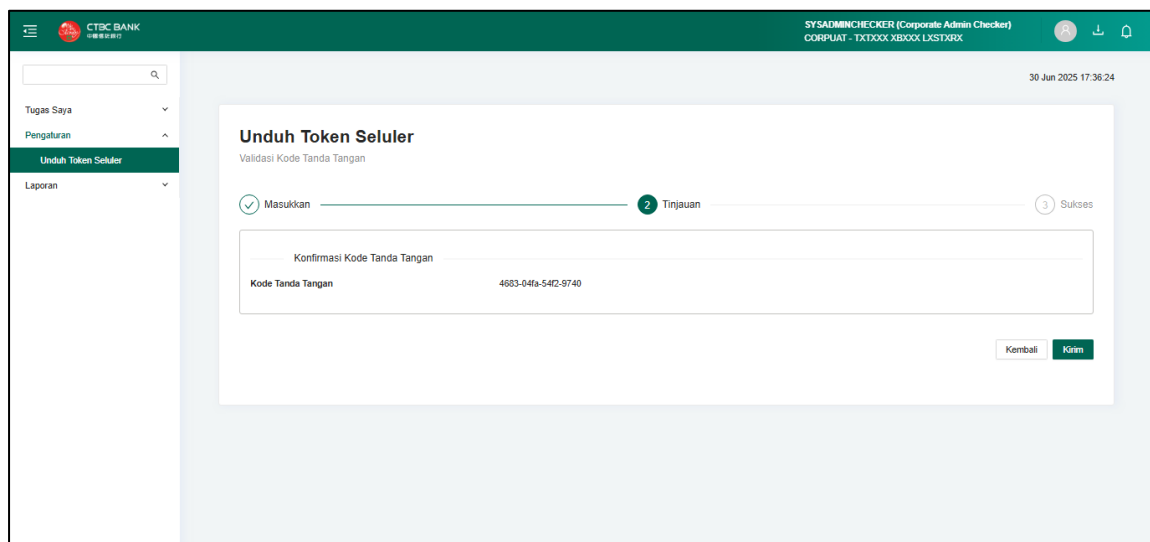

2. Click the **View QR Code** button and scan it in the **Mobile Token App**. The **Mobile Token App** will generate a **Signature Code** and send a Passphrase via email.

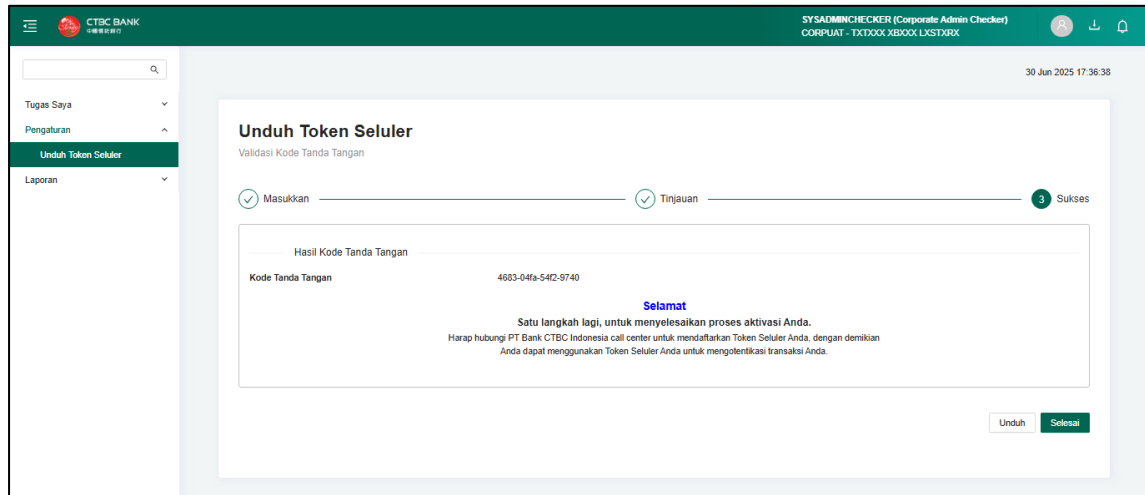

3. Click the **Validate Signature Code** button. The **Validate Signature Code** page will appear.

4. Click the **Back** button to return to the previous page or click the **Confirm** button to continue the process.
5. Enter the **generated Signature Code** and then click the **Confirm** button. The **Signature Code Validation Confirmation** page will appear.

6. Click the **Back** button to return to the previous page or click the **Submit** button to continue the process.
7. Click the **Submit** button. The **Signature Code Validation Results** page will be displayed.

8. Click the **Download** button to download the page or click the **Finish** button to return to the **Mobile Token Download Details** page.
